

LEVERAGING IMPACT

IN AND ACROSS TEAMS

An Actionable Framework and Skills for Cross-Team Success

Research shows that in today's fast-paced, complex organizations, those that have aligned, collaborative cultures outpace the competition and drive sustainable innovation.

After decades of working with the best global innovation companies, with a 'behind closed-doors' vantage point, Richard Lee has discovered that **three levers, when optimally applied together, can drive inordinately greater impact and results:**

EMPOWERED RELATIONSHIPS

The fuel to take actions and drive decisions

ALIGN TO DO THE RIGHT THING

Choosing to do the right thing for the broader team

COLLABORATE ACROSS TEAMS

Partnering in and across teams to achieve goals

Learn the framework and skills in **Leveraging Impact®** to strengthen and accelerate impact for you, your team, and the broader organization.
